"Nothing we do can change the past.
Everything we do can change the future."

It's been said that you can't change the past, but you can start new today. If you decide, right now, that you will be a success, then you will be a success. It's that simple. Success is not determined by wealth, but by happiness.

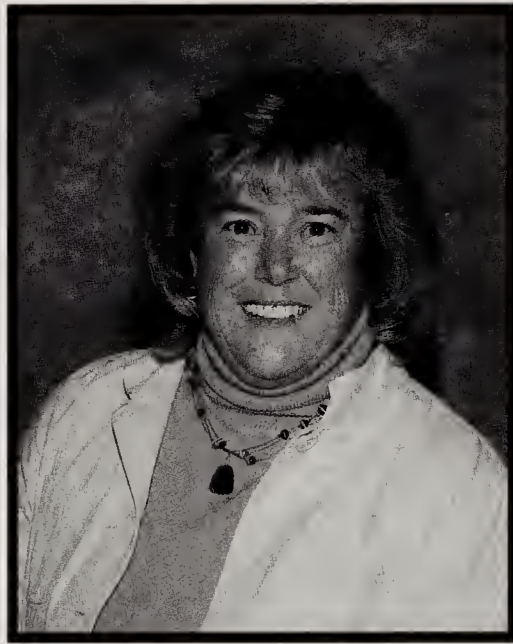

Change can strike fear in all of us, but change can be welcomed as well. There are times in our lives that we accept change, such as moving from elementary school to middle school, or from middle school to high school, but other types of change can be very difficult. Graduation from high school is one of those times. Although a special time in your life, graduation brings with it added responsibility. For the first time in your life, you are truly in control of your destiny. No matter what occurred in high school, you have the opportunity to start fresh and make positive change. You control your future and determine the degree of success you will have. You will always have supporters along the way, but only you can decide to be successful.

I challenge anyone who wants more out of life to look at yourself and keep in mind that "this is the first day of the rest of my life". Now take the first step. You just might surprise yourself.

On behalf of our faculty, staff and the East Windsor community,
we wish you the best. Congratulations.

Principal

Dedication

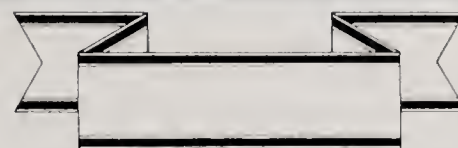

We, the Class of 2006, would like to dedicate this yearbook to Ms. Drake. Ms. Drake has been a positive influence in our lives over the past six years. Her outgoing personality and constant energy have generated spirit throughout our years at East Windsor High School. She has inspired us to pursue our goals and follow our dreams. Ms. Drake has taught us to enjoy life and to make the best of each day. She showed us the value of hard work and determination, but also gave us the gift of laughter. The Class of 2006 appreciates all of Ms. Drake's support and guidance. Thank you, Ms. Drake, for your dedication, refreshing sense of humor and kind heart. As we enter the next phase of our lives, we will never forget the memories we have shared with Ms. Drake.

Class History

By

Alyson St. Germain, Class Historian

In the fall of 2002, two very brave tour directors decided to take a four year journey. Mr. Auer, Mrs. Adams & the Class of 2006 were off to embark on a wonderful European adventure. The students, led by peers, Meagan Nelson, Danielle Hewey, Chrissy Hewey & Kerry Clair, packed their suitcases & passports, waved goodbye to their friends & families & boarded a bus to Logan Airport. Their trip began in Germany, where they participated in a competition decorating the halls of the Charlottenburg Palace. They decorated their hall as the seasons of a deciduous forest. Despite the fact that their forest came in last place, the students were proud of the effort they had put into the contest. At the end of their first year, the group sold apple strudel topped with Friendly's ice cream at a market place in Munich.

The next year the group was joined by Ms. Drake. Their previous tour instructor, Mrs. Adams, decided to stay behind in Germany. New class executives were selected to help organize the second year. They were Meagan Nelson, Courtney Martin, Amber Griswold, Alyson St. Germain, Danielle Hewey & Chrissy Hewey. The class traveled to France where they saw the romantic city of Paris. They viewed the Eiffel Tower, museums & the small cafes. After their time in Paris, they moved on to Italy. In this beautiful country, they visited Rome, Milan & Venice. While visiting in Florence, they stopped at the Ponte Vecchio, an attraction known for fine jewelry. There they all bought rings, which signified their unity as classmates. Soon after their shopping spree in Italy, they made their way to Switzerland. Here they participated in a fundraiser, selling delicious Swiss chocolate. They used the money they made to fund their trip for the next two years.

It was junior year & first on the itinerary was England. Leading the group were Casey Burnham, Patrick Mulkern, Sarah Livings, Alyson St. Germain, Courtney Martin & Chrissy Hewey. The students enjoyed a fine play, the classic story of Aladdin. Sights included Big Ben, Buckingham Palace & many other interesting places. In the spring, they attended a royal ball at Chez Josef Palace, where they dined & danced all night. At the end of the evening, ten individuals were crowned for their enthusiasm throughout the ball. Crowned King was Jeff Wyse, with his Queen, Carmen Perez. Joining the royal couple was the court which consisted of Ben Quesnel, Chantal St. Laurent, Jerry Atkinson, Patricia St. Cyr, Tom Brown, Alyson St. Germain, Justin Riddick & Jestina Haynes.

The class was about to enter their senior year & had grown very close. Unfortunately, both of their tour directors were relocated. However, two experienced guides were willing & excited to take their place. Miss Orefice & Mrs. Wilson directed the class with the help of Casey Burnham, Tom Brown, Chrissy Hewey, Danielle Hewey, Courtney Martin & Alyson St. Germain. Their final year in Europe began in Greece. Here they participated in the Olympic Games. Led by Ben Quesnel, the entire class joined in the events of the competition. Sporting their events & representing their country allowed them to win first place. Then packing up their gold medals, they traveled on to Spain. They were entertained not only by bull fights, but also by the Mr. East Windsor Pageant. A fiesta was held at El Hotel de Marriott. They danced their hearts out & at the end of the of the night each student was given a book that consisted of photographs & memories they shared during the past four years. After just a few days, they set off for their last country, Ireland. The beautiful landscapes of this country were perfect for their senior outing. High Meadow hosted this day of fun and games.

After four years of growing & learning together, the students returned home to East Windsor, Ct. They were welcomed by friends & family. As their high school education came to an end, they gathered outside for their graduation ceremony. After Ms. Drake addressed the graduates & audience, the diplomas were presented. Later, the class stayed up at an all night party sponsored by Graduate & Celebrate. The Class of 2006 shared many events & memories together which allowed them to learn from one another and grow as a group. Despite the distance that would separate them in the future, they would always remember their European journey. They would never forget one another and would come to reunite in the future.

Peer Mediation

Advisors:

Mrs. Arnold & Ms. Orefice

A peer mediator is a student who has been trained to conduct mediation sessions. The mediator does not take sides, decides who is right or wrong or makes decisions for the disputants. They are there to help people resolve differences because they might better understand the disputants' points of view.

National Honor Society

Advisor: Mrs. Corricelli

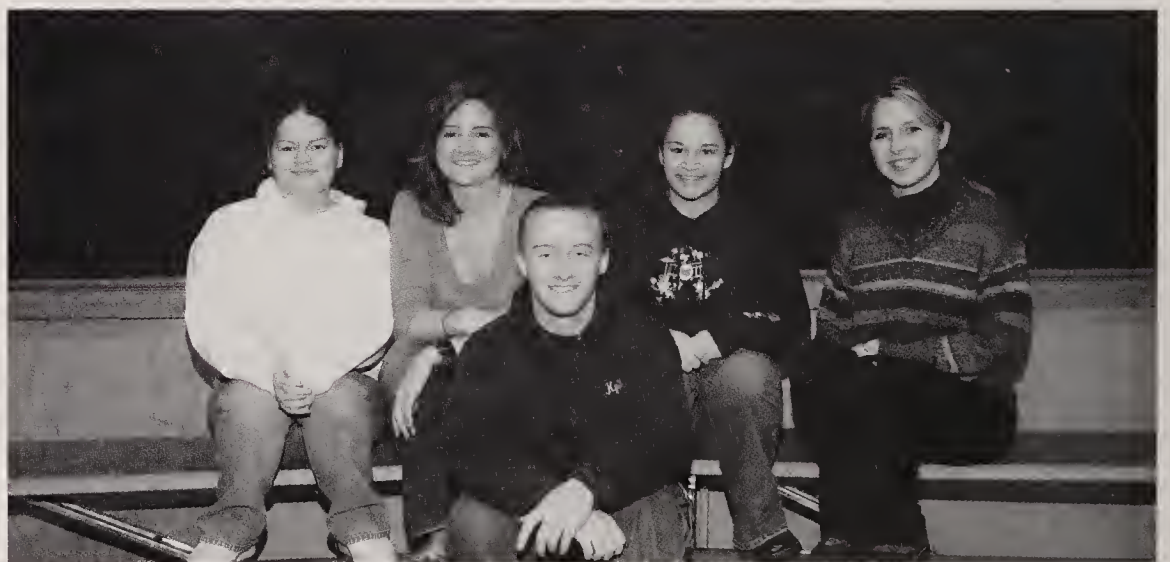

Life seems so like that bit of string;
Each deed we do a simple thing;
Yet, day by day, this is one life's strand;
We work with patient heart and hand;
It gathers joy, makes the dark days bright;

Farewell

Farewell to the Class of 2006

Over the past years, as your advisors, we have watched you become responsible young men and women. Here, at East Windsor High School, you have made long-lasting friendships. Faculty and staff are thrilled with your accomplishments and underclassmen have looked to you for guidance and support.

As you leave us, we wish success in all of your endeavors and hope that your disappointments are few. We have enjoyed working with you during your senior year. You are a group that works well together. Remember winning the best-decorated hallway for Spirit Week and the first Homecoming Dance.

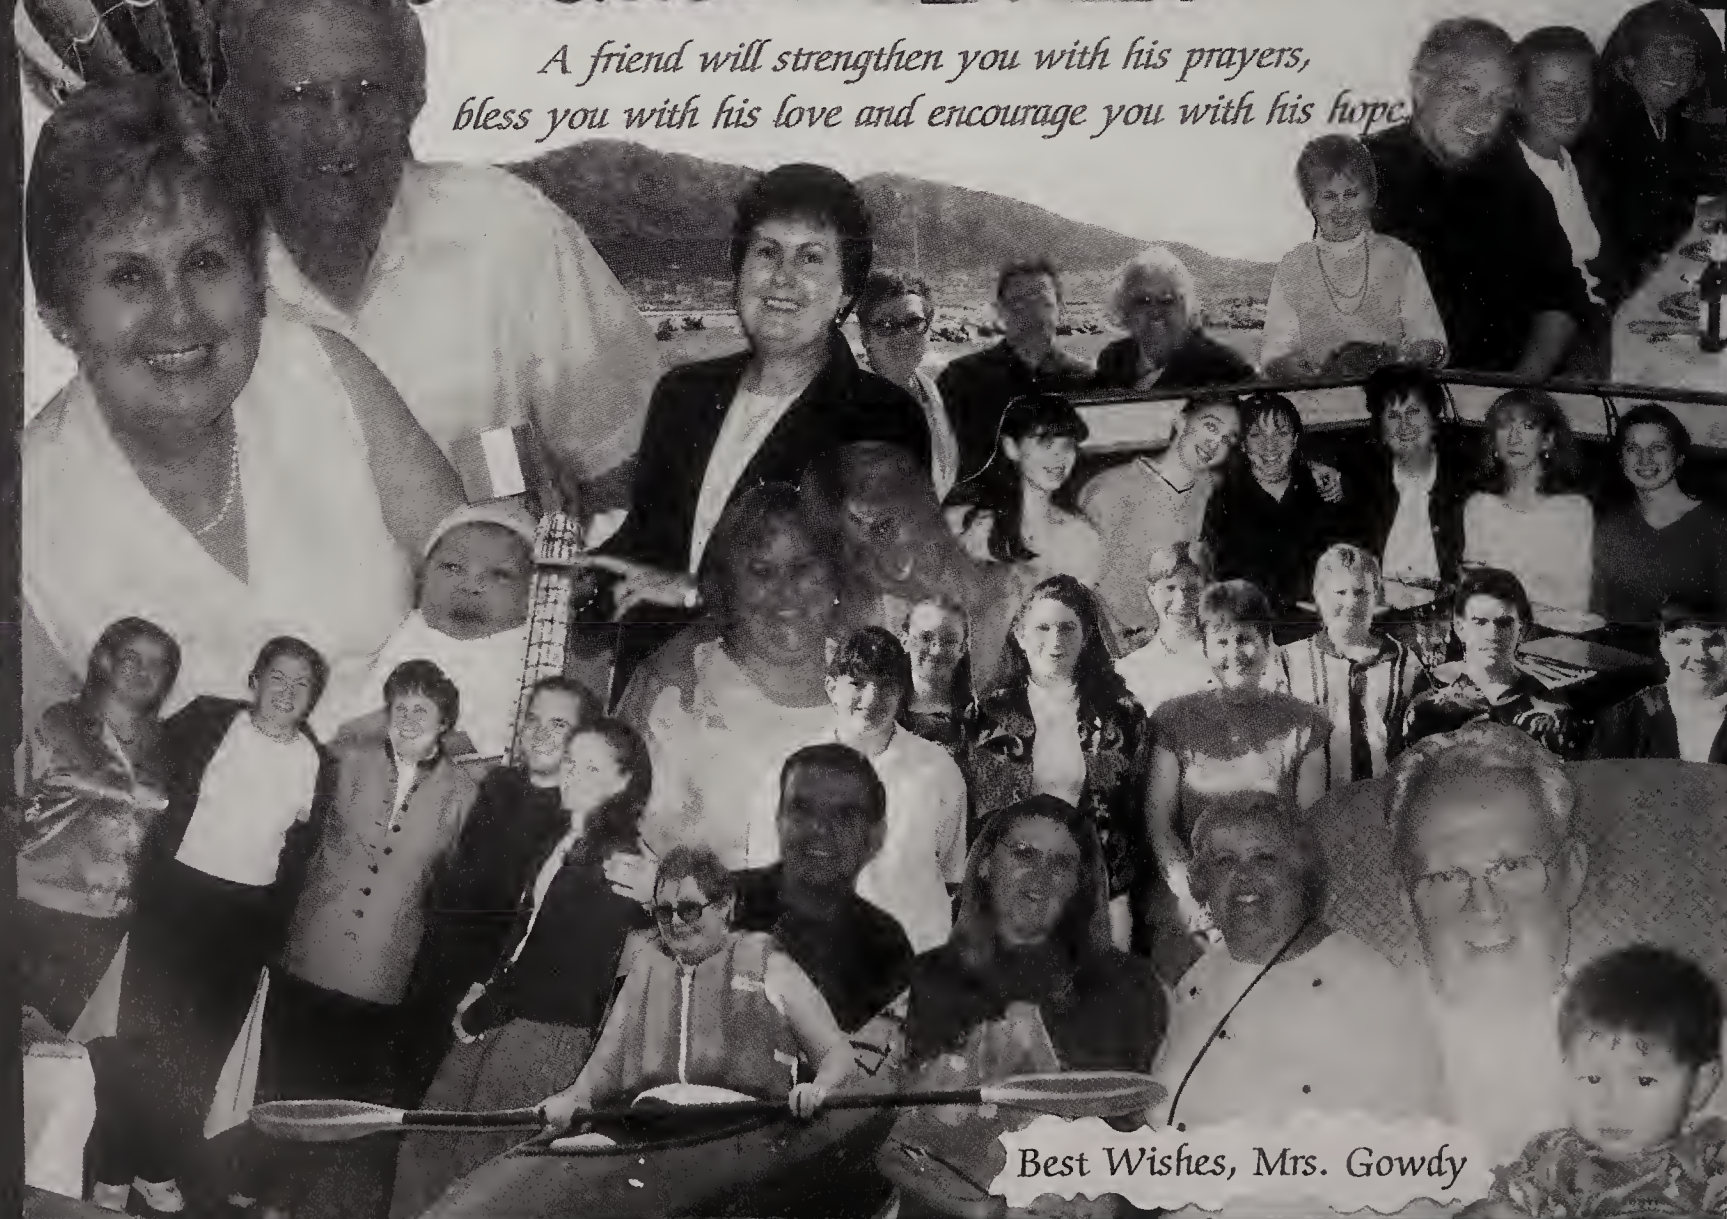

We will miss your enthusiasm and kind and caring ways. Go forth with these wonderful traits and make all of us here at East Windsor High School proud of you. We wish you peace, good health and happiness always.

Fondly,

Miss Orefice & Mrs. Wilson

*A friend will strengthen you with his prayers,
bless you with his love and encourage you with his hope.*

Hurricanes Katrina and Rita were just the beginning of the headlines this year - thousands of displaced Americans, devastation along the Gulf Coast and the government's response to the disaster kept a rapid-fire array of headlines and sound bites coming at us in the months that followed.

SADDAM STANDS TRIAL The trials of **Saddam Hussein** are being held under the Iraqi Special Tribunal. Tried for war crimes, crimes against humanity and genocide, he could face the **death penalty** if convicted.

THE RIGHT TO REMAIN SILENT

Invoking the First Amendment, journalists **Matthew Cooper** and **Judith Miller** refuse to divulge sources in a story that claims the White House "outed" CIA operative Valerie Plame in retaliation for her husband's unflattering comments on Bush's war rationale.

ONE BAAAAAD TISSUE DISPENSER

AUTHORITIES SUSPECT FOWL PLAGUE

Drug companies jump to develop a vaccine for the H5N1 strain which infects humans as well as birds. Millions of birds are euthanized in an effort to slow the virus's progress.

SUPER-SECRET SPY STUFF

President Bush admits that he ordered **telephone taps** of private citizens, raising ethical as well as **constitutional questions**. Representatives on both sides of the aisle call for a joint inquiry by the Senate judiciary and intelligence committees on what may be **violations of First Amendment rights**.

KATRINA'S DESTRUCTION

Hurricane Katrina causes widespread devastation along the Gulf Coast. Cities such as New Orleans, LA; Mobile, AL and Gulfport, MS bear the brunt of Katrina's force. Causing over \$200 billion in damage, leaving over 8 million people without homes and taking the lives of over 1,300 people, it is **one of the most destructive storms** to hit the United States in the past 100 years.

Over 80% of New Orleans was under water due to breached levees, which will cost an estimated \$3.1 billion and take up to two years to rebuild.

KATRINA'S REFUGEES

Convention centers and stadiums in Louisiana and Texas house hundreds of thousands of hurricane Katrina refugees. Reports of **unsafe and unsanitary conditions** garnered national media attention and increased criticism of the federal government's slow response.

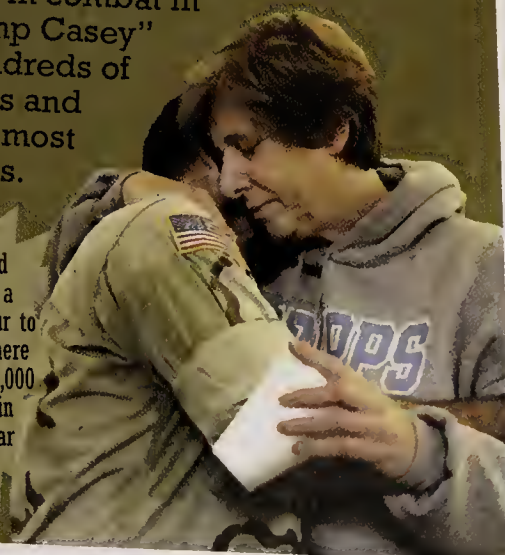

The European space probe Huygens lands on the surface of Saturn's largest moon, Titan, after a seven-year, 2.2 billion-mile journey through space. The probe touches down in "Titanian mud" and continues to send data for about 90 minutes after reaching the surface.

CINDY SHEEHAN PROTESTS

Cindy Sheehan attracts international attention for her extended **anti-war demonstration** outside

President Bush's ranch in Crawford, TX. Sheehan is the mother of the late US Army Specialist Casey Sheehan, who was killed in combat in Iraq. "Camp Casey" draws hundreds of supporters and lasts for almost four weeks.

Sheehan followed her protest with a three-week bus tour to Washington, DC, where a rally of over 100,000 people marched in protest of the war in Iraq.

TERRI SCHIAVO

Terri Schiavo's husband, Michael, squares off against his in-laws, the Bush administration, and thousands of protesters to **remove his wife's feeding tube**. MUSIC

How did you hear about 'em? Did you see them on your favorite TV show, on MySpace®, or did you spot their album while you were in line for a latté? Due to a saturated market, many artists are happy to receive plugs from other media outlets. And it seems to be working - the league of popular musicians is becoming more and more diverse.

Amid his plans to open a restaurant in Hazelwood, MO, and the launch of his line of women's jeans, *Nelly* still finds time to nab his fourth #1 single, *Grillz*.

HE SHOOTS, HE SCORES!

Pop heartthrob *Ryan Cabrera* releases his second CD and begins shooting *Score*, his new reality game show on MTV. The show gives aspiring musicians a chance to find love through music - they have one day to write a song to win a date with a girl!

Ryan's first CD, *Elm St.*, was recorded with studio time purchased for him as a gift from his brother, Marc.

What good is a song if you can't make it your ringtone?

Mobile music accounts for 15% of global music sales and includes ringtones, realtones, ringback tones, mobile music commerce and packet radio.

SOMEBODY CALL A CAB?

After 5 LPs, people finally start taking notice of indie darlings *Death Cab for Cutie*. Having frequent mentions on *The O.C.* probably didn't hurt, either.

THEY GET IT STARTED...

...and now *The Black Eyed Peas* are hard to stop! They keep it going with four Grammy® nominations, a tour with Gwen Stefani and another hit single!

GOLDEN BOY *Jamie Foxx* records *Gold Digger* with Kanye West, releases his 2nd CD, *Unpredictable*, and grabs a Grammy® nomination for *Creepin'*. Oh, he's a pretty good actor, too.

BETTER ROCKING THROUGH CHEMISTRY

Students across the country pick **My Chemical Romance** for top honors at the 2nd annual MTV-U Awards, and the band's business-goth style is immortalized in 5-inch-tall action figures.

SO LONG, SUMMERLAND

Just because we've seen the last of The WB's **Summerland**, don't think we've seen the last of **Jesse McCartney**. Now the singer with a **Beautiful Soul** has more time to record and tour!

HOLD ON TO THAT FEELIN'

Twenty-five years after its release, **Don't Stop Believin'** puts the '70s rock powerhouse **Journey** on the iTunes Most Downloaded chart after the song appears in an episode of MTV's **Laguna Beach**.

MOVIES

They're not called "remakes" anymore; they call them "re-imaginings." Whatever label you give them, Hollywood has combed the archives and come up with several stories in need of a makeover. The Duke Boys, the Smiths, the candy-man, the Love-Bug, the convicts and the king of the monkeys all got a facelift for 2005.

GREAT GOBLETS OF FIRE!

Harry Potter is mysteriously chosen to compete in the Triwizard Tournament where he faces not only the competition but the evil Lord Voldemort and his minions.

THRILLBILLIES

Bo, Luke, Daisy and the rest of Hazzard County get fresh new faces in the Hollywood retread of the popular TV series **The Dukes of Hazzard**. The General Lee, however, continues to be played by a 1969 Dodge Charger.

MR. & MRS. SMITH

Nothing spices up a marriage like learning that secretly you're both assassins hired to kill each other. Co-stars **Brad Pitt** and **Angelina Jolie** prove their on-screen chemistry isn't just an act by announcing they are engaged and having a baby.

McADAMS LOVES GOSLING

After filming the love story **The Notebook**, **Rachel McAdams** and **Ryan Gosling** stay in character long enough to begin dating and announce their plans to be married.

MARCH OF THE PENGUINS

Andy Samberg & **Chris Parnell** know how to spend a lazy Sunday at the movies. Their Saturday Night Live "**Lazy Sunday**" rap video was offered as a free download on iTunes, spreading the word about Magnolia's bomb frostings to inboxes everywhere.

AND WHAT DO YOU WANT TO BE WHEN YOU GROW UP?

In **Star Wars Episode III**, Anakin Skywalker falls prey to the temptations of the Dark Side to save the girl he loves, thus becoming the **sinister Darth Vader**.

WALK THE LINE

Joaquin Phoenix and Reese Witherspoon sing every note of their roles themselves in live performances that capture the spirit of the music that drove **Johnny Cash** and **June Carter**'s relationship.

MMM... DELICIOUS EYE CANDY

In **Charlie and the Chocolate Factory**, five lucky children win a guided tour of **Willy Wonka's** legendary candy-making facility where they discover all the secrets of Wonka's crazy world, scrumptious candies and, of course, **Oompa-Loompas**.

Tim Burton only cast one person to play the hundreds of Oompa-Loompas: **Deep Roy**.

ONE BIG MONKEY

The eighth wonder of the world! An overly ambitious movie producer coerces his cast and crew to travel to mysterious Skull Island, where they encounter the mighty **King Kong**. Peter Jackson directs the remake of the classic tale of a gargantuan lovestruck gorilla.

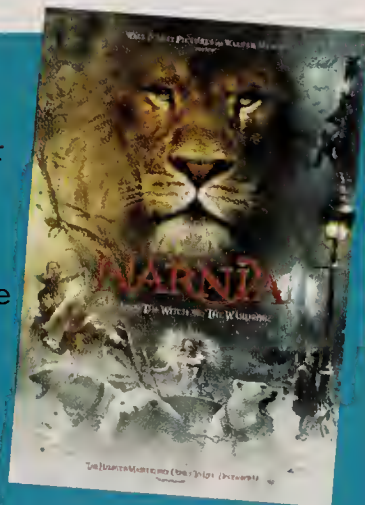

GET YOUR MOTOR RUNNIN'

In **Herbie: Fully Loaded**, Maggie Payton (**Lindsay Lohan**) brings home a freewheelin' Volkswagen with a mind of its own. Suddenly, she's on the road to becoming a NASCAR® competitor!

PUTTING THE "WAR" BACK INTO "WARDROBE"

But only time will tell how long they stay on top of their game.

EVERYBODY HATES CHRIS

Based on his childhood, **Chris Rock** narrates this hilarious story of a teenager **growing up in Brooklyn, NY**, in the '80s.

TRENDS

It seems everything

old is new again - the 1980s saw a huge revival in the trends of 2006. VH1 provided the road-map with their "I Love the '80s" series, and suddenly the fashion police stopped issuing tickets for leg warmers and big sunglasses. Other decades were mined for pop culture as well - a Mustang from the '60s, basketball sneakers from the '20s, and a hobby formerly reserved for women in their 70s.

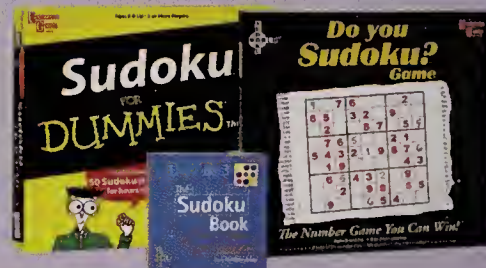

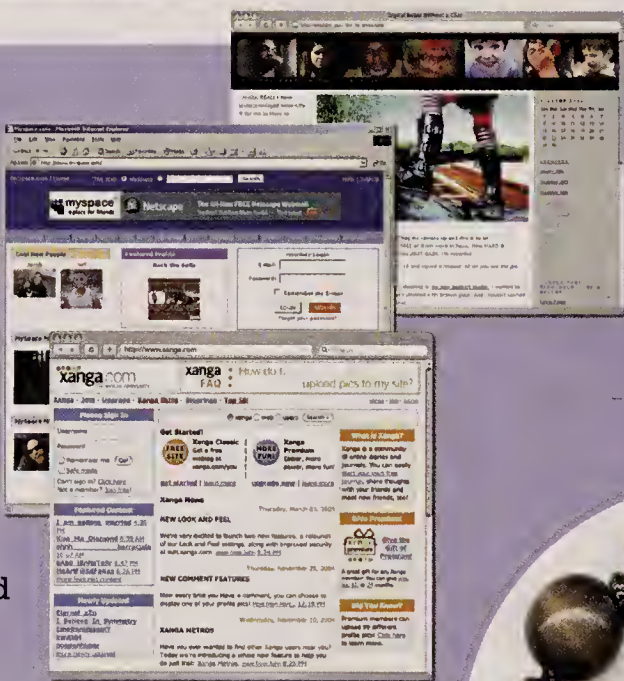

THE NEW BLACK Boys contribute to the '80s revival by being "pretty in pink." And "tough," just like the pretty pink t-shirt says.

THIS EXPLAINS THE BIG PURSE TREND, TOO. Inspired by paparazzi-dodging celebrities and '80s fashion, big sunglasses get tons of face time this year.

BLOGAPALLOOZA

Services like **Xanga**, **MySpace** and **Blogger** make setting up a weblog free and easy, giving anyone with Internet access the opportunity to have an online presence. Now your deepest, darkest secrets can be *shared with the world*. Just like that time your friend Jamie told everyone you wet the bed at her sleepover!

CROSSWORDS FOR PEOPLE WHO NOT WORD SO GOOD

Like crossword puzzles but hate to spell? You're not alone. Japanese **Sudoku** puzzles give number-crunchers something they can wrap their heads around.

Big bracelets are a big hit! You can't go too big or too bold, just as long as you have a big necklace to match!

BLAME DAISY

With the popularity of **The Dukes of Hazzard** movie, a full-on western fashion trend is inevitable. **Boots, hats, belt buckles** and western shirts go mainstream.

POD-CASTING

Tech-savvy teens with something to say launch their own **podcasts**, delivering their message to a limitless audience via the Internet. Over **one million listeners** latch on to the concept almost overnight, making podcasting almost as popular as blogging.

IT'S A PURL THING, YOU WOULDN'T UNDERSTAND.

The **knitting craze** dominates lunch rooms and study periods. Ambitious "knit wits" branch out from potholders and scarves to create ponchos, doggie sweaters and even - yikes! - bikinis!

CUTE BUT PSYCHO

It's **Happy Bunny®** is the reigning king (or queen?) of bitter and sweet, bringing the fine art of sarcasm to a whole new level.

PHYSICAL ATTRACTION

After nearly 20 years of cold calves, **legwarmers** are finally back on the fashion radar. Bonus points if you knit your own!

CARE BEARS®

The '80s would have been wrought with debauchery without them - these cuddly little moral compasses teach the importance of caring for others and sharing your special feelings.

POPULAR RINGTONES

- Snoop Dogg Featuring Pharrell **Drop It Like It's Hot**
- Lil Jon & The East Side Boyz Featuring Usher & Ludacris **Lovers And Friends**
- Ciara Featuring Missy Elliott **1, 2 Step**
- Koji Kondo **Super Mario Brothers Theme**
- John Carpenter **Halloween**
- Ying Yang Twins **Wait (The Whisper Song)**
- Usher And Alicia Keys **My Boo**
- Mariah Carey **We Belong Together**

THE HARDEST WORKING BRAND IN SHOE BUSINESS

Converse's® canvas **Chuck Taylor All-Star™** shoes are never out of style, but with the rise of emo and '80s fashions, they're everywhere.

PONY EXPRESS

Ford® completely restyles their **Mustang™** to harken back to the **original 1960s design**, calling it "retro-futurism." State-of-the-art production facilities improve the model's handling and ride.

STIMU-LATTE Coffee consumption among teens rises 25% in the past two years, partly for the social aspect, but also because early-morning English is much easier after a jolt of caffeine.
